

DESKS AND ACCESSORIES

Perpetual
ENTERPRISES
Enduring Institutional Furniture

Perpetual Enterprises builds all of its desks to the same high standards as the Educator 135 with welded heavy-gage steel and high-pressure laminate. These desks are available in a variety of sizes with multiple desktop shapes and pedestal or return configurations.

MODEL NUMBER CODES

Desk product codes designate the pedestal/drawer configuration using the key below.

MODEL NUMBER CODE SEQUENCE

Style/size/center drawer/left side configuration/right side configuration

PEDESTAL OPTIONS:

DOUBLE PEDESTAL DESKS

Standard with Box Box File & File File configuration. The Box Box File configuration is indicated by placing an **A** in the model number. File File configuration is indicated by placing a **B** in the model number.

Example: PD663CAB is 66x30 Double Pedestal Desk with Box Box File left and File File right.

SINGLE PEDESTAL DESKS

Standard with an **A** Box Box File configuration. To order this Desk with File File change **A** to a **B**. The single pedestal desk will have an end panel opposite the pedestal and is indicated with a **D** in the model number.

Example: PS663CAD is 66x30 SP Desk with BBF left and an end panel on the right.

The letter **C** in the model number designates a center drawer and central locking.

FEATURES:
